

## Capabilities Statement

Pilum is a total Protection, Investigation, and Training solutions firm. We offer a range of unparalleled services. We are a veteran-owned and veteran-run company. Pilum exists because we believe that former military members bring businesses truly unique skills in dealing with unknowable situations and complex investigation and protection problem sets.

## Past Performance

### 27J School District

**Details:** Pilum has armed School Security Officers in 18 schools that encompass 3 city districts, and 3 counties. Pilum oversees the protection of over 18,000 children daily.

### State of Colorado, Department of State

**Details:** Pilum is currently providing armed plain clothes concealed security services for a State of Colorado elected official. Unfortunately, Pilum cannot disclose the elected official's information due to a non-disclosure agreement. Pilum will disclose in a secure environment.

### US Department of Veteran Affairs

**Details:** Pilum is currently providing unarmed physical security and patrol guard services in multiple locations. Pilum patrols assigned areas and maintains alertness for dangerous conditions that may exist.

### Colorado Department of Regulatory Agencies

Providing armed security guards at the DORA Welcome Center. Responding to threats and disruptions, helping visitors (including first aid), and initiating employee response to security incidents.

### State of Colorado, Department of Revenue, Marijuana Law Enforcement Division

**Details:** The primary purpose of the pre-suitability application was to prevent cartel or criminal organization money from entering Colorado's marijuana industry. Pilum conducted and taught investigative methods designed to detect and block illicit funding.

## Differentiators

- Founded by former U.S. military personnel with combat experience from the Marine Corps and the Navy SEALs.
- 90% of staff are military or law enforcement veterans.
- Proven track record securing government agencies, schools, and high-risk operations.
- Our Core Values support our vision, shape our culture, and are the essence of our company's identity.
- Rapid response capabilities in high-pressure environments.
